THANK YOU

*I want to thank everyone who has sent me a card. It means so much to know someone cares! Please continue to pray for me.
Thanks again ~ Judy Pomroy*

What a blessing your many expressions of care and concern have been during my recent medical challenges! The beautiful cards and kind messages have been such an encouragement. Your prayers have been answered in such a powerful way! The serious kidney and cellulitis infections are gone and the A-fib is being successfully treated with medication. How greatly you are loved, appreciated and missed! Yours in Christ, Donna Massey
