

"we will
serve
the Lord."

JOSHUA 24:15B

We are Claudia and Sergio González.

We met in 1991, in the youth group of our Catholic neighborhood church, where we used to serve and walk alongside other youth and their spiritual lives. Years later we decided to form a family and we got married in 1999; Soon after we began our marriage we realized our need to learn and study the Word of God in dept, we wanted to study to grow stronger together but also be able to help others, that's how we ended up at ILEB (Bible Institute)

Initially, in 2004 I began my studies without being baptized or even attend to Church of Christ gatherings, but when I began to read and study together, my wife and I began to attend Sunday classes and services, and on August 10th, 2005 we made the decision to be baptized.

We have two beautiful daughters Daniela and Lisa, they both have the desire in their hearts to serve our God, and as a family, we are inspired to do so every day and with every step of our lives.

Dani is 21 years old, and after studying the first year at ILEB and at the same time finishing her senior year in high school, she decided to live the experience and join the AIM (Adventures In Missions) in Lubbock, Texas. She served for more than a year in Albuquerque, New Mexico, and take the next step and join SIBI (Sunset International Bible Institute) where she's getting her Biblical Studies Degree emphasized in Family and Youth Ministry, very excited and happy to see what God keeps doing with her life; Today she's engaged and soon to be married to Luke Sheaffer, a great young man whom she met during their AIM time in Lubbock in 2018. Together they serve with the AIM program as assistants and have the desire to keep serving God.

Lisa is 13 years old, she is a happy wonderful teenager who's excited for what's next in her life. She is about to conclude 8th grade. She serves and wants to serve God in the future, as well as Daniela. She would like to join the AIM program and live that experience with God and God's people before going to college. She's curious, likes to ask questions, and always finds solutions or explanations to things; she's a great student that gives her best at what she is doing, and she's growing and getting closer to the Lord.

Claudia is a Graphic Designer, she has two masters, the first one in administration and the second in education, she graduated with a Bible Studies degree from ILEB. At the moment she is a design professor at the University of State of Mexico and works for ILEB as the curriculum coordinator and academic advisor, and instructor of some classes and workshops.

I'm Sergio, I have an accounting degree, and I graduated in Bible Studies with an emphasis in Evangelistic Ministry from ILEB. I work as an administration professor at the University of State of Mexico, I am the academic principal and instructor at ILEB. I have had the opportunity to serve the church as an elder for the past 4 years, and in all this time I have learned a lot and a great opportunity to grow closer to the body of Christ that binds us together.

My family and I have decided to serve God every day, and work hard for Him, for 30 years we have been involved in His service, and for more than 10 years we have been Youth Ministers and Leaders in the congregation in Toluca, we have done different activities, spiritual and self-growing opportunities, like retreats, mission trips, camping trips, worship nights, small groups, one on one studies, and more. We inspire the youth at our congregation to serve the community by sharing food or clothing at hospitals and low-income families. We want to share the many blessings God keeps giving us every day.

We are so excited to keep moving forward... “ But as for me and my household, we will serve the Lord.” - Joshua 24:15b NIV

We would love to hear from you, pray for you, and get to know you. Contact us anytime via email at samm7291@hotmail.com or clauvazalvarez@gmail.com

With love and lots of gratitude,

the Gonzalez family
